

# FIBER OPTICS CLEANING SOLUTIONS

Integra Optics' Fiber Optics Cleaning Supplies are a critical part for network uptime. Our solutions help field techs clean fiber network equipment safely and quickly. These cleaning supplies produced by Sticklers provide optical-grade, lint-free cleaning wipes, non-flammable and non-hazardous cleaning solution, high performance cleaning sticks and connector cleaning clickers. Each cleaning product is designed to provide the highest quality cleaning for every fiber network to help improve and maintain overall fiber network performance.

## Fiber Optic Cleaning Kits

Optimized for general installations and enterprise environments, these kits include everything you need for fast, reliable fiber optic cleaning. Kits can be personalized to your exact specifications.

Perfectly Clean Fiber End-Faces are Crucial to Achieve the Reliable Network you Desire!
